

Sample/ Pattern Making Scales & Instruments

Pattern Master

A specially designed, multi-purpose work aid with all the conventional functions of the Graders Set Square plus some unique features which speed up, and remove, some of the drudgery from pattern cutting. Made from strong, clear perspex and bevelled on its long straight edge. Supplied with basic, easy-to-follow instructions in a protective wallet. Designed by Professor Martin Shoben of the London Centre for Fashion Studies. 43cm (16 3/4 in.) long, 19cm (7 1/4 in.) wide, and 3mm (1/8 in.) thick.

Available in Metric or Imperial.

Junior - a smaller metric version of the Pattern master with 1/4 and 1/5 scales for diagrams. Incorporates useful curves for drawing **collars, sleeve holes, hip curves** etc. Clear acrylic with instructions and plastic wallet. 21cm (8 1/4 in.) long.

Tracing Wheel

A top quality tool from Germany. Its comfortable, textured plastic handle has a hardened, high grade steel needle-pointed wheel for positive tracing. The distance between points is approx. 4mm. Overall length 16cm (6 1/4 in.).

Flexible Grader Ruler

Engraved in red on flexible transparent PVC with grading lines and with inches and cms for measuring curves. 500mm (19 3/4 in.) long, 55mm (2 1/8 in.) wide, 1mm thick.

French Curves

A set of 3 curves, made from transparent green plastic and supplied in a handy wallet. 12 1/4 in., 6 1/4 in., 5 1/4 in. long.

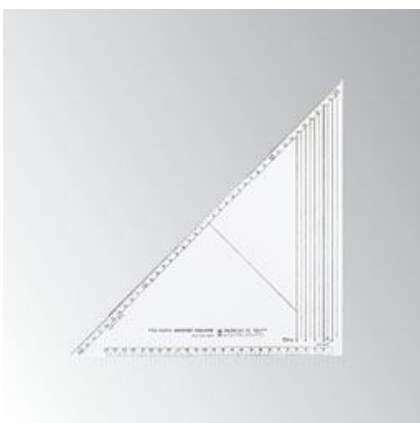

L Squares

1mm thick aluminium printed one side with scales, one side with measurements.

Metric 60cm x 35cm

Imperial 24 in. x 14 in.

Graders Set Squares

Durable 3mm thick clear acrylic with engraved markings: grading lines along one edge, two edges calibrated and bevelled. 45 degree angle for bias. Hole for hanging.

Metric 43cm x 30.5 cm . Centimetres and millimetres

Imperial 16 1/4 in. x 11 1/2 in. Long edge inches, short edge cm.

Fashion Scales

Quarter Scale:- 1/4 and 1/5 metric scales one side, and 1/4, 1/8, 1/6, 1/3 and 2/3rds in 1/4 scale metric on the other. 1.5mm thick white acrylic.

Fashion Scale:- Flexible acrylic square with graduations in 1/4, 1/5 and 2/5 scales. Includes useful curves for armholes, necklines and sleeves.

Flexicurve

Flexible plastic, retains its shape while you draw along it.
Length 40cm (15 1/2 in.)

Metric Varyform Curve

Create smooth flowing lines, armholes, etc. Both sides the same. Strong aluminium. Length 60cm (24 in.).

Curve Measurer

Measures length of any straight or curved line. The small wheel is run along the line, and the length read off the dial in inches or cms.

Clickers Awl

Pierces card, plastic, cloth and leather. Its comfortable wooden handle has a 4cm (1 1/2 in.) long point. Total length 11cm (4 1/4 in.).

Pattern Drill & Bits

A lightweight tool with a 4mm hollow drill bit. Dart holes can be made with a quick twist of the hand. 11cm (4 1/4 in.) long. Replacement drill bits also available:- 3mm diameter and 4mm diameter.

Pattern Punch

Cast iron with a comfortable handle and strong return spring. Its bevelled cutter makes a 16mm (5/8 in.) hole in most boards and papers. Can be screwed to a bench or kept mobile.

Pattern Shears

Designed for effortless cutting of paper, plastic and board, with long handles and short blades for excellent control on corners. The blades of deluxe shears are made of the best quality steel for long life

Available as Standard or Workmaster

Standard-Slim polished blades and large black japanned handles, together with a very economical price, makes this a popular choice, both in industry and for colleges. Blade length 8.5cm (3 1/2 in.). Total length 30cm (11 3/4 in.).

Workmaster-British Made Powerful, compact shears in a durable chrome finish with comfortable handles. Blade length 5cm (2 in.). Total length 20cm (8 in.). Slimstyle with shorter blades and longer handles give better leverage for easier cutting. Blade length 5cm (2 in.). Total length 24cm (9 1/2 in.).

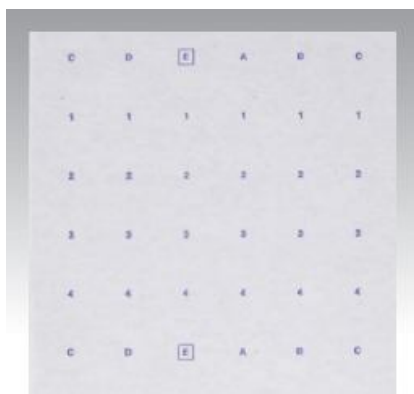

Pattern Notchers

Standard - Top quality, hardened, forged steel with a durable leaf-spring mechanism. Attractive satin finish. Length 11cm (4 1/2 in.). Size of notch 8mm x 2mm.

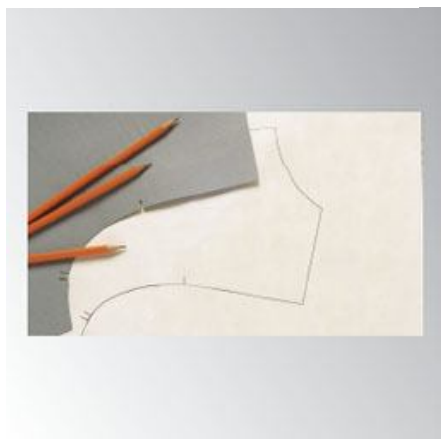

Deluxe Pattern Notchers

Made in Germany from best quality steel and finished by craftsmen to a very high standard. Nickel plated finish, but notching area is unplated for easy action. Length 11cm (4 1/2 in.). Available in two sizes: 8mm x 2mm notch and 8mm x 1mm slim-cut notch.

Numberprint Marker Paper

- Approximately 300 metres long
- Printed with blue numbers 0-9 at 20mm intervals on strong 60gsm white paper
- Allows you to position patterns and blocks accurately

Plain Tracing Paper

Approximate length 275 metres (300 yds). Strong 45gsm paper. Same paper quality as Dot & Cross. Stocked in 3 widths.

Standard Pattern Kraft

Available as Lightweight or Standard
 Lightweight is approx. length 200 metres (218 yds).
 Weight 125gsm. approx 1 metre (39in.) wide. This strong, lightweight pure kraft paper is 50% thicker than normal wrapping paper and ideal for short life patterns or college use. Standard is approx. length 120 metres (131 yds).
 Weight 140gsm. Top quality, pure kraft paper stocked in 2 widths: 1 metre (39in.) and 1.5 metre (59in.).

Standard & Tuff ManillaCard

Made by pasting together 2 sheets of top quality manilla card after they are manufactured to give a hard wearing edge on patterns. Weight 270gsm. Approx. length 90 metres (98 yds).

Tuff - Weight 485gsm. Approx. length 70 metres (76 yds).

Pattern Hooks

Strong wire hooks keep pattern pieces together on a pattern rack.

Available as Giant or Hookettes

Giant-Made from strong, heavy gauge wire. 205mm (8 in.) long. Pack of 50.

Hookettes- Approximate length 125mm (5 in.). Pack of 100.

Pattern Racks

Keep Patterns safe and in good condition. Available as a Rail Top for use with a Morplan Six Foot Garment Rail or a Wall Mounted Rack

Rail Top-Consists of 6ft top rail with spaces for 125 pattern hooks. Designed to fit on the base of an existing 6ft garment rail. Replaceable index cards identify each pattern and simple slot in. We also stock a complete kit of rack and base.

Wall Mounted-A hinged rack which takes 25 hooks, complete with replaceable card index. Fixes to the wall

with screws. 8cm x 40cm (3 1/4 in. x 15 1/2 in.).

Also available are index cards to fit both racks. Printed black on yellow card with space for 25 patterns. Pack of 10.

No-Trace Markers

Standard - Purple marks vanish spontaneously in 5-14 days.

Super - Fast action. Pink marks disappear in just 2-7 days.

Instant Eraser - Colourless pen removes marks made by above markers.

All supplied in packs of 10.

Textile Marker Pen

Fine 2mm bullet point pen. Permanent on contact with natural fabrics.

Cutting Board & Knife Set

Knife Set - The set includes a 10 x 45cm (4in. X 17 3/4in.) self-sealing cutting mat, a 40 cm (17 3/4in.) metric rule with stainless steel edge and a 9mm snap off blade knife.

Fiskars Cutter

- Ideal for layers of cloth, felt and leather as well as vinyl and card.
- Easily set for left or right hand.
- Supplied with one retractable straight cut 45mm (1 3/4 in.) blade.
- Spares are available. Straight Blade.
